

Shashwat Sharma

Frontend Developer | React, Next.js, TypeScript

Email: hello@example.com | GitHub: github.com | LinkedIn: linkedin.com

Profile

Product-minded frontend developer focused on accessible interfaces, fast delivery, and maintainable component systems for modern web applications.

Selected Skills

React, Next.js, Tailwind CSS, TypeScript, Node.js, PostgreSQL, MongoDB, Figma, Vercel

Projects

InsightOps Dashboard - real-time KPI workspace with accessible data cards and alerts.

LaunchPad Commerce - responsive product discovery and checkout prototype.

CarePulse Portal - intake, scheduling, and status management experience.

Build Notes

Built with a mobile-first Next.js and Tailwind CSS stack, semantic markup, optimized assets, keyboard-friendly controls, and recruiter-focused project storytelling.
